

# JUL 3 – 4

## AGENDA

## STRATEGIES IN CAR BODY PAINTING 2024

### TUESDAY | JULY 2

6.00 –  
7.00 pm

**Get-Together and Pre-registration**

### WEDNESDAY | JULY 3

9.00 am **Welcome and conference introduction**  
Andrea Huber, Automotive Circle, DE

9.15 am **IMPULSE**

**VIRTUAL  
PRESENTATION**

**Colour and Creativity: Transforming the World  
Through Paint**

Dr. Ayla Lepine, St. James's Piccadilly, National  
Gallery, UK

#### INDIVIDUALIZATION & EFFICIENCY

9.45 am **Evolution of Light Alloy Rims and its Paint Surfaces**  
Anne Gailberger, Mercedes-Benz AG, DE

10.15 am **The Future of Paint and Process Technology in the  
Paintshop**

Dr. Georg Meiswinkel, Axalta Coating Systems  
Germany GmbH & Co. KG, DE

10.45 am **Networking Break in the Exhibition Area**

11.15 am **New 2-Tone Ofra Application in Renault Maubeuge  
Plant**

Katell Lavis, Renault Group, FR; Frederic  
Charnoz, Dürr Systems AG, DE; Steffen Rohlmann,  
BASF Coatings GmbH, DE

12.00 pm **Mat designed 2-tone film development**

Kota Futamata, Nissan Motor Co. Ltd, JP

12.30 pm **4-Wet implementation in LCV plants with Solvent-  
borne monocoat systems**

Sophie Carpentier, Stellantis, FR; Franck Lepetit,  
PPG Industries, FR

1.00 pm **Networking Break in the Exhibition Area**

#### SUSTAINABILITY & ENVIRONMENTAL PROTECTION I

2.00 pm **Future Plastic Materials in Automotive**  
N. N., BMW Group, DE (invited); Kathrin  
Lehmann, Evonik Industries AG, DE

2.30 pm **Dacia Brand strategy to reduced paint application  
and introduce visible recycled plastics**

François Farion, Renault Group, FR

3.00 pm **Development of peelable body colour for auto-  
motive painting**
